

EYFS Learning wall
Literacy: Reading

		I know that I can find out things from books and computers.	I am able to read and understand simple sentences, using what I know about letters and sounds and show I have understood what I have read when talking with others.		
		I can name and sound out the letters of the alphabet.	I can make up a line that rhymes with another one.	I am beginning to recognise some words and read simple sentences.	
	I now use some words and phrases that I have read in books.	I know how to say the initial sound in words once I have heard it.	I can break words up into sounds and know which letters make up some of the sounds.	I am beginning to enjoy different types of books.	

Early Learning Goal (expected stage of development at the end of Foundation year) : Children read and understand simple sentences. They use phonic knowledge to decode regular words and read them aloud accurately. They also read some common irregular words. They demonstrate understanding when talking with others about what they have read.
