

Literacy

Poetry: Rhymes and Poems. To learn a poem off by heart. Children will be using role play to create innotation.

Fiction: Modern Fiction. Children will be looking at various fiction stories and basing their comprehension and discussion activities around it. They will also be focussing on apostrophes as part of their new grammar and punctuation.

PE

Football: Children will be learning different techniques to play football and how important warm up and cool down is.

Skills developed – Balancing, kicking, agility, linking, coordination, observation, evaluation and co-operation.

Science

Children will be learning about growing up from babies to children and how important different foods are for our healthy growth. They will also learn about what happens to our teeth and when we should visit the dentist.

Computing

Children will be learning about the different parts of the computer and learn new terminology such as input, output, CPU, processing etc.

Homework

Please help your child to complete:

English/Maths: Homework is set to consolidate skills taught in class.

Spellings: Spelling activities will be given out every week.

Reading: To be practiced regularly.

Arabic

Children will continue to practice forming and joining letters correctly. They will also build on constructing simple questions and answers as part of a dialogue and conversations related to 'My Family.'

Islamic Studies

This term children will study the lives of some of the great women surrounding the Prophet. Their firm Iman, love and sacrifice for Islam, and good character will be recognised.

Art and DT

Children will make items related to China such as a collage of the Great Wall of China as part of their cross curricular learning with Geography.
