ASSESSMENTS

WEEK 7

WB:09.10.23

HEALTH &
HYGIENE

C&L

Children will be singing "I am special" song.

PD

Children will be decorating a "Person" template

PSED

Children will be discussing family members & bring in photos of them.

EAD

Ask the children to help you to turn a cardboard box into a house, adding windows and a door. Talk to the children about their homes and who lives there as you create and play together.

My Family

Literacy

Children will be having a go at drawing pictures of their family members.

UW

Children will be making 'My Family' book.

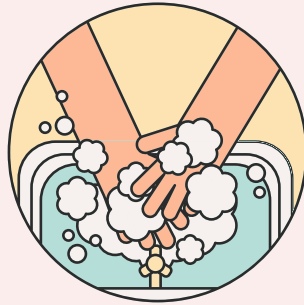

Maths

Children will be counting how many people live in their house.

C&L

Looking at the washing hands display and discuss why it is important to wash hands.

PD

Children will be encouraged to travel around, under, over, balancing and climbing on the climbing frame. Talk about healthy living.

PSED

Children will be looking at feelings chart and talk about how they are feeling

EAD

Children will be S creating their own 'Healthy snack' box.

Literacy

Children to look in the mirror & make a painting of themselves. Then describe themselves in own words.

UW

Talking about what germs are & how they spread. Then try the experiment. Sprinkle some black pepper in a plate of water. The pepper will float. This represents germs. Ask a child to dip one finger in water. Nothing will happen. Then take the finger out of water and dry. Coat it with hand soap & dip it in water again. What happens to the pepper?

Maths

Talking about importance of washing hands & demonstrate how to wash hands correctly. Encourage verbal counting up to 20 seconds. Whilst washing hands prompt language such as 'in between' 'under' 'on' etc.
