

# November 2023

Sunday

Monday

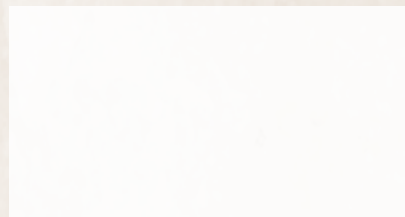

Tuesday

Wednesday

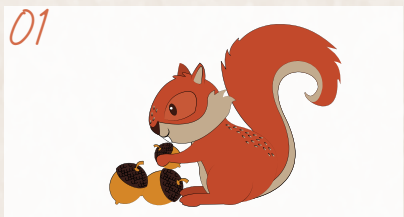

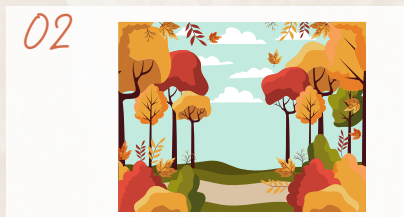

Thursday

Friday

Saturday

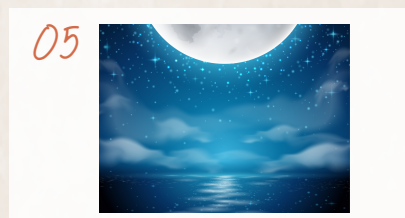

01 Draw or paint an Autumn picture. What colour leaves can you see in Autumn?

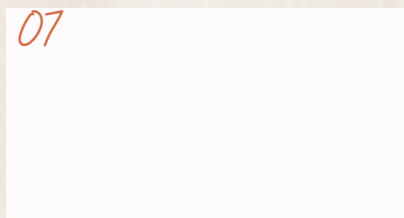

02 Sammy the squirrel collected 10 nuts. He hid 6 of them ready for the winter. How many nuts did he have left to eat? You could draw a picture to help you work out the answer.

03

04

06 For the next 2 weeks, we will be learning about 'Light & Dark'

08 Find a torch and shine it against a wall. What shadow shapes can you make using your hands and fingers? Can you put toys in front of the torch to see their shadow shapes?

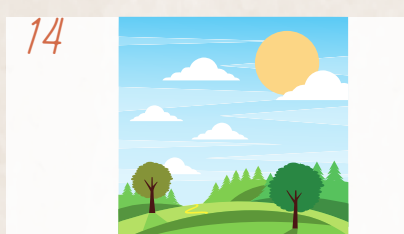

09

10

12 Go outside on a sunny day. Can you see your shadow? Move your body around to make different shapes. Can you make your shadow long and tall? Can you make your shadow look round

13

15 Ask an adult to take you outside when it is dark. What can you see? What can you hear? Do you know what any of the sounds belong to? Can you recognise any animal sounds?

16

18

20 For the next 2 weeks, we will be learning about 'Space'

21 You are going on an adventure to space! What would you take with you? Draw a picture or take a photo of your favourite things that you would take to space. Can you explain to a grown-up why you have chosen those things?

22

23

27 Look out the window or go outside when it is dark. What can you see? Play space I spy. Can a grown-up guess what you can see?

28

29

30 Some cheeky aliens are hiding on this page. How many can you count? Can you show a grown-up the number of aliens you found on your fingers?
