We believe that Land of Learning Nursery and Primary school provides an excellent education and that the Head Teacher and school personnel work very hard to build positive relationships and have in place clear lines of communication with all parents and others. In so doing complaints are kept to a minimum.

However, we are aware that under section 29 of the Education Act 2002 we must have in place clear procedures to deal with any complaint made against the school or individuals connected with it. We take any complaint seriously and we deal with them professionally following set procedures.

We have a duty to publish the complaints policy on the school website with hard copies available from the school office.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

## Monitoring the Effectiveness of the Policy

The practical application of this policy will be reviewed annually or when the need arises by the Deputy Head, the Head Teacher and the nominated School Committee.

A statement of the policy's effectiveness and the necessary recommendations for improvement will be presented to the School Committee for further discussion and endorsement. (See Policy Evaluation)
